

Artem Khristov

Junior Frontend Developer

An enthusiastic and detail-oriented Junior Frontend Developer with proficient knowledge in HTML, CSS and JavaScript as well as third-party libraries such as React and Bootstrap. Seeking to utilize my technical skills and expertise to provide value to the employer and contribute to successful projects both today and in the future. Aiming to take on new challenges and utilize my coding and debugging skills for developing new features and enhance the overall user experience. I completed web development course and made several projects using JavaScript and React. I currently live in Poitiers and am looking for a job. I'm from Ukraine and have a work permit in France. I speak English well and am learning French.
